ACT Board Plans First Retreat

With the growing success and popularity of ACT, the Board has decided to have a retreat to discuss issues of growth and change within the organization. Aided by facilitators from Boston's Executive Service Corps, the ACT Board will meet in early December to consider a long-term strategic plan involving fundraising, program development, purchasing or renting a permanent space, and other planning issues. How can we best meet the needs of families but also stay true to our mission of being inclusive and affordable?

ACT to attend Wheelock Family Theatre's *Lord of the Flies* on November 6th

William Golding's *Lord of the Flies* opens this month at the Wheelock Family Theatre. ACT has purchased 20 tickets. *Lord of the Flies* symbolizes much of what can go wrong in society. It speaks to young people in a time when there is a dire need to help them grasp such serious issues as bullying, peer pressure, violence, conflict and its resolution. Rarely produced on stage, this dramatization is particularly compelling as students see it performed by actors their own age. A Q&A moderated by artists, educators, and experts will follow the performance. Tickets for this November 6th, 3 PM performance are \$12. For more information or to order tickets, please call Steve at 781-721-2176 or email him at: steveact@verizon.net.
